Rebates, coupons, credits, percentage discounts or any manner of discounting which results in a net advertised price of an GigaLuv products below 10 % MAP pricing, regardless of any other circumstances, will be considered as not complying with the (MAP) policy.

In the event that GigaLuv receives information that a party is advertising an GigaLuv product below the minimum advertised price (MAP), GigaLuv will contact the noncompliant party. GigaLuv will then request the noncompliant party to comply with the minimum price within ten (10) days. If after ten (10) days the pricing has not been corrected, GigaLuv may, at its sole discretion, cease future supply of the product to the noncompliant party *or its distributor*.

This policy may be modified by GigaLuv as it deems necessary.
